Name of character: Spunkasaurus - Clover
Name of illustrator: Monika
Name of school: Home Learning

Hi! My name is Clover, I am a Spunkasaurus. I live in the lush mountainous village of Rainbowville, next to Fairy River and the great Chocolate Tree. My house, a large red jelly tot, is always open to guests. Due to the many tea parties I am slightly chubby, yet I am always ready for some fun and love!

My soft tummy allows even the tiniest of creatures to have a delicate cuddle every now and then. My cinnamon fur colour and the chocolate flecks compliment my gold-hazel eyes, showing my friendliness and beauty. My feet are leathery and hard, allowing great speeds over rough terrain. My wings allow the privilege of flight, and their scales protect them from water damage as I glide through the sparkling pools. These sport abilities make my favourite game, hide and seek, a 'soar' in the park.

Due to my mixture of cat and dragon I have abilities of both. My large ears, alert eyes long tail and sharp claws keep me safe from approaching danger. I smell with my tongue, as my nose-scent is not very sharp. I am brave and determined, making me a 'purrfect' adventurer. This is helped by my strong supple body and my excellent balance.

You are always welcome to come, so visit soon.

With love

Clover
